

Pool Party at Gay Days, one of Orlando's premier gay & lesbian events

Home of **Disneyworld**, **SeaWorld Orlando** and **Universal Studios**, **Orlando** welcomes the arrival of thousands of tourists daily. However, Orlando isn't just for kids and families. The theme park capital of America has plenty to offer adults and the GLBT community. **Orlando** is home to the oldest gay community center in Florida and one of the nation's most popular gay events. With a two-decade tradition, **Gay Days** has evolved from a one-day affair into a week long celebration attracting over 100,000 revelers to dozens of events citywide. Attendees enjoy world-class nightlife and pool parties all hosted by the hottest DJs at many of the city's best venues.

As the city's new skyline cropped up with modern skyscrapers, newly designed parks, fountains, bike paths and walkways, **Orlando** has become an even better place to visit and live. There are two new gay-oriented resorts and you'll find many gay-welcoming businesses scattered throughout the city like **The Parliament House**, **Hamburger Mary's**, **Pulse** and **Revolution**. The friendly local GLBT community is growing and will make you feel comfortable. Don't forget your FunMap® and check out www.funmaps.com to help plan your visit.
